# Wonder Woman Makeover™ / Mommy Makeover

There is no where else in Beverly Hills where you can get a breast job, bottylicious J-Lo butt and a Designer Vagina all at one time. Our highly skilled team of cosmetic gynecologist and plastic surgeons can combine many of our female genital surgery procedures and other plastic surgeries.

- **Dr. Alinsod's development of the Barbie or Smooth Look is an aggressive reduction of the labia minora to the point of complete excision. It leaves a refined look . . .**
- **This is the most requested technique of labial surgery Dr. Alinsod performs and the most popular appearance wanted on the West Coast.**

- **The Hybrid Look leaves a very fine, petite, natural looking hint of a rim around the vaginal opening.**
- **The Hybrid look, developed by Dr. Alinsod is his personal favorite . . .**

# Bridging Cultures

- Embrace cultural complexity
- View my own culture through a critical lens
- Find connections between my culture and her culture
- Empathy — not pity
